

NATIONAL LEADERS JOINING FORCES

Tutt Bryant Equipment is excited to announce we are now the proud owners of 600 Cranes Australasia, adding to our portfolio of quality construction equipment, parts and services.

600 Cranes has a long history and is a seasoned player within the crane sales market, servicing Australia and the Pacific Islands.

600 Cranes are the national distributor of Fassi knuckle boom truck loading and marine cranes, Marrel and TAM Hooklifts, Jekko Mini Crawler Cranes and Idrobenne grapples and clamshell buckets for cranes.

600 Cranes offer a full range of servicing work-shop facilities and sales in Melbourne, Sydney, Perth and Brisbane, with accredited agents around Australia. They offer remote and off-shore servicing, maintenance and inspections. 600 Cranes also have some manufacturing capabilities with regard to the installation of the products represented mainly onto trucks and other transport vehicles.

600 Cranes is a member of the CICA (Crane Industry Council of Australia) and offers fully accredited inspections and installation services.

600 Cranes reward you in both great value and in our long-term maintenance facilities for the life of your crane. 600 Cranes Australasia will ensure your expectations are lifted every time!
