TUTT BRYANT

## Capability Statement

Construction, Earthmoving and General Equipment  
**Hire** and **Service** Solutions.

Supporting **Ngarda-Ngarli**.

## ABOUT US

**NYFL Tutt Bryant** is an incorporated joint venture between Ngarluma Yindjibarndi Foundation Limited (NYFL) and Tutt Bryant.

Since 1998 NYFL has been the Traditional Owner representative body for the Woodside-operated North West Shelf (NWS) project. NYFL continues to deliver social and economic empowerment for the Ngarla-Ngarli (the Traditional Owners of Murujuga) community.

Partnering with leading business operators to create training and employment prospects for the community, NYFL's business enterprises seek to engage and upskill its people, giving them long term opportunities, independence and security.

Tutt Bryant is a longstanding industrial services organisation providing sales, hire, parts, servicing and engineering solutions to the construction, mining, engineering and trade sectors throughout Australia. As the capability partner, Tutt Bryant is responsible for the expertise, management systems and equipment hire fleet in NYFL Tutt Bryant.

## OUR OBJECTIVES

Operating from the heart of traditional Ngarluma and Yindjibarndi lands in Karratha and Roebourne, NYFL Tutt Bryant aims to support customers and projects with general equipment and plant hire services. We strive to be the supplier of choice with quality, well-maintained plant and equipment backed by prompt technical support and customer service. Ancillary offerings such as equipment service and transportation are also available from NYFL Tutt Bryant.

In addition to our commercial objectives, NYFL Tutt Bryant aims to deliver training pathways and employment opportunities to Aboriginal people.
