## NEW Quarantine Facility

DAFF Approved | QAP - W2275

DPIRD Approved | QAP - W1022

Tutt Bryant is proud to announce the opening of our state-of-the-art Naval Base quarantine facility. Approved by the Department of Agriculture, Fisheries and Forestry (DAFF) and Department of Primary Industries and Regional Development (DPIRD), this purpose-built site is designed to meet the highest standards of biosecurity, ensuring efficiency, compliance and reliability.

### FACILITY FEATURES

- 1000 sqm wash bay for large-scale cleaning, using recycled water from our treatment plant
- Secure inspection areas meeting DAFF requirements
- Dedicated treatment zones ensuring compliance
- Expanded handling capacity for faster turnaround

### APPROVED ARRANGEMENT

- **Class 1.3 – Sea and Airfreight Depot (restricted)** – Containers, break bulk cargo and machinery to be delivered to our depot under quarantine direction
- **Class 4.3 – Cleaning** – Machinery, vehicles, parts, containers to be cleaned on our washpad
- **Class 4.6 – Fumigation** – Fumigate containers or cargo at our facility as directed
- **Class 14.4 – Rural Tailgate Inspection** – Authorised to inspect, clean and release containers destined for Rural un-pack
